INDUSTRY EXPERIENCE

Jane Street Machine Learning Research Intern	New York, NY May - Aug. 2026
Block, Inc. Deep Learning Research Intern	Remote Jun. - Dec. 2025

EDUCATION

Toyota Technological Institute at Chicago Ph.D. in Computer Science, Advisor: Zhiyuan Li	Chicago, IL 2023 - Present
University of British Columbia M.Sc. in Computer Science, Advisor: Danica J. Sutherland Thesis: <i>Insights From Infinitely Wide Neural Networks</i>	Vancouver, BC 2020 - 2023
Amirkabir University of Technology B.Sc. in Computer Engineering	Tehran, Iran 2015 - 2020

HONORS AND AWARDS

NeurIPS Scholar Award	2022
Top 0.1% in the nationwide university entrance exam (approximately 250,000 applicants).	

INVITED TALK

Google Brain (PLAID team)	2023
“Provable Approximation of Neural Tangent Kernel with Applications in Active Learning.”	

PROFESSIONAL SERVICE

Reviewer: NeurIPS (2021+); ICML (2022+); ICLR (2024+).
